Travel

Get to Know us

MCS Consultancy Services is Kerala's first NABH Accredited medical value travel facilitator and one of the prominent medical tourism companies in India. Our global presence with strong affiliate network helps patients across the world to get high-quality treatment at accredited healthcare institutions in India, at an affordable cost with utmost care.

MCS started its humble beginning in October 2020 and we are able to get over 1,000+ surgeons and specialists on this single platform in a short span of time. We have signed MOUs with the best hospitals across India and became the most preferred choice of patients from 20+ countries.

Not Just Healthcare

An ever memorable experience

Kerala is a true paradise that is being explored by tourists from around the world. A small state on the southern tip of the Indian peninsula, that prides itself for being the flag bearer for not just how a culture can respect its past, but also march forward with growth & progress as well. From Kasargod to Thiruvananthapuram Kerala is choc-a-bloc with places that attract with its mind-blowing landscape, an infinity of intriguing customs, and high-intensity cultural life.

Kerala-The Therapeutic Eden of The World

Ayurveda hospitals in Kerala offers a new approach to holistic healing. The Ayurveda centre seamlessly blends modern diagnostics, yoga, functional fitness & physiotherapy with the ancient art of Ayurveda to deliver a unique east-meets-west healing experience that will revive and revitalise your wellbeing.
